KT

SUMMARY

Computer Science and Engineering undergraduate with foundational skills in Java, Python, C, web development, databases, and computer networks. Hands-on experience in machine-learning-based phishing URL detection and sensor-based environmental monitoring. Interested in cybersecurity, software development, and practical technology projects.

EDUCATION

Bachelor of Engineering (B.E.)
Computer Science and Engineering
Adhiparasakthi Engineering College (Affiliated to Anna University)
Tamil Nadu, India | Expected 2028 | CGPA **8.45 / 10.00**

PROJECTS

AI-Based Phishing URL Detection System
Python • Flask • Scikit-learn • Pandas
- Built a Random Forest web application to classify URLs as legitimate or malicious.
- Extracted URL structure, HTTPS, domain, suspicious-pattern, IP, and entropy-based features.
- Implemented Flask REST endpoints for real-time prediction, confidence, and risk assessment.

Sensor-Based Microplastic Detection in Farmland
ESP32 • Embedded C • Arduino IDE • IR • GPS • GSM
- Contributed to a low-cost portable prototype for real-time microplastic detection in agricultural soil.
- Integrated an IR reflective sensor with NEO-6M GPS for location tracking and SIM800L GSM for SMS alerts.
- Prototype concept combines sensing, location tracking, and field communication without laboratory dependency.

TRAINING / COURSEWORK

Data Structures & Algorithms

Object-Oriented Programming

Database Management Systems

Computer Networks

Operating Systems

Web Development Fundamentals

INTERESTS

Cybersecurity Network Security Chess

LANGUAGES

English Beginner **Tamil** Beginner

SKILLS

Programming Languages
C Java Python

Web Technologies
HTML CSS JavaScript

Machine Learning
Scikit-learn • Random Forest

Database
MySQL

Networking
TCP/IP DNS DHCP Wireshark

Cybersecurity
Phishing Detection • URL Analysis

Tools & Operating Systems
Git • GitHub • Visual Studio Code
Kali Linux • Windows

Embedded
ESP32 • Embedded C • Arduino IDE
GPS • GSM • IR Sensor

STRENGTHS

- Communication
- Teamwork
- Leadership
- Time Management
- Problem Solving
- Adaptability
